This PS2 'Special Edition' of A Wonderful Life adds to the GameCube original by allowing players to earn the chance to play as either a boy or a girl, and by providing more potential spouses for courtship.. EnglishMenus and gameplay are in English Harvest Moon: A Wonderful Life expands on the farm simulation aspects of its predecessors by having players develop a 'life' through marriage and raising a family.. Farming in this GameCube version is further enhanced by having more animals to care for, more crops to harvest, and an option for players to create hybrid vegetables by combining the seeds of two different types.
