FAQ

Selectable colors: Yes Errors: Yes (see below) No Animated Knives Most moving parts of the headers are animated, except for the knives.. This can be painted in different brand colors to match the combine you're using FS19 MacDon FD75 Headers Here are some essential facts about this great FS19 mod: 9300 MacDon Swather Brand: MacDon.. That could be the reason why I got this error message: Error: Index not found: knives01 Mind you that this was the only error that the headers left in the log.

[1. farming simulator 19 mods swather](#)

Find out where you can download the MacDon FD75 combine headers for Farming Simulator 19.. Update your game with our free mods MacDon FD75 v1 Gamers mods - gamersmods.com Hello everyone!, today finally I realise the first version of MacDon draper heads for FS17.. Credits: Julian11 (Big Boss Modding) Category: Headers Base price: 75,000, 85,000, or 95,000 based on width.. There's not much that is configurable, except for a small stripe above the MacDon logo.

farming simulator 19 mods swather

(Looking for the download link? See below) It's really great to see Julian11 from Big Boss Modding back at modding again.. Due to problems with the model's collisions? Well, it's a beta, after all Hopefully, it'll get sorted out in a future update.. What is this mod used for? If you haven't tried Farming Simulator mod, you are missing a lot! We have a great collection of Farming Simulator mod free files to offer, so it's about time to take a look.. This makes it a tad harder to hook up the headers How to Download The headers are officially hosted at Uploaded.. All headers have their own set of wheels and a tow pole MacDon Swathers For Sale Transporting the headers is as easy as unfolding the wheels and the tow bar, before hooking the header up to the rear of the harvester.

7 meters) All have a working speed of 6 miles per hour (10 kph) No Trailer Needed What I like the most about Big Boss Modding's MacDon headers, except for the fact that they look fantastic, is the self-supporting transport system.. After a long

time of work we are ready for you to enjoy this new product The MacDon FD75 FlexDraper® is our latest innovation in FlexDraper technology.. Another hiccup is that the drawbar often sinks into the ground when it'snot attached.. The blue button below takes you there

Description: Hello everyone!, today finally i realise the first version of MacDon draper heads for FS17.. Even at maximum flex our fixed reel to cutter bar relationship stays true, maintaining a consistently small.. But the headersdid also do a lot of traveling and bouncing on their own after being detachedfrom the combine.. Three SizesThere arethree headers in the pack One is 35 feet (10 5 meters), one is 40 feet (12meters), and the largest one is 45 feet (13.. It's out of beta,meaning some bugs have been fixed, including the threshing animations.. If you find, what you are looking for, hit on Farming simulator mod download button and that's it! By Farming mods.. However, wobblingand traveling are still there But I think it's less prominent than with thebeta.
